EXPERIENCE & PERSONAL ACHIEVEMENT

2022 - NFT Notification Bot
2022.01   Demo
#Python #Automation #LineBot
Automatically detect the latest NFT information on multiple KOL's Instagram stories then notified instantly via the line app. Help to find the next popular mintable NFT items.

2022 - Front-End Development Bootcamp
2021.09 - 2022.01
#FullStack #Sass #Vue #PHP #MySQL #Git #Scrum
Learning and building Full Stack website with scrum/agile team using Figma, HTML, CSS, Sass, JS, Vue, gulp, PHP, MySQL, git, github.
As a team leader, I set the direction for development on the technical level. Designed ER-model, created Sass guidelines, created git branching strategies, using notion to plan, collaborate and assign tasks, deploy MySQL server and website on Linode cloud service.

Learning and Sharing with developer community
- Built a personal blog and sharing experience
  - 2021 using **Ghost**, deploy on Linode.
  - 2020 using **Hexo**, deploy on Gitlab.
- Learning and Sharing on Github community
  - 2021.08 **RPiPlay issue**. Discussion problems with the community on Github issues and sharing my solution.
  - 2021.07 **Vue-CLI issue**. Share my solution on Vue-CLI issues.
  - 2021.07 **EasyEngine Contributor**. Update README.md documentation on EasyEngine repository after checking operating system works fine.

2021 - National United University
Department of Electronic Engineering
College of Electrical Engineering and Computer Science
- **Master of Science | 2019.08 - 2021.02**
  - 2019.03 - 2019.08 | **Intern** Industrial Technology Research Institute
- **Bachelor of Science | 2015.08 - 2019.06**
  - 2018.06 - 2018.12 | **Intern** Industrial Technology Research Institute

2020 - Online English learning tool
#Django #HTML #CSS #JS #Heroku
Built an online English learning tool by using Django, HTML, CSS and JS and deploy on Heroku cloud service.

2020 - Instagram auto account 1000+ followers
Instagram automation operation account 94ieng
Designed a Python program to generate and maintain video clips and images for daily posts.

2012 - 11K+ views of single Youtube video
Youtube channel 阿歐 RO
Minecraft game server deployment tutorial video.
